April Celebrates Water Awareness

Water Awareness Month (WAM) is celebrated annually in April in Arizona, and this year, there will be many events and opportunities throughout the state for the public to learn about different ways to conserve water. Celebrate with the WRRRC by attending our April 11 and 15 Water Webinars!

WRRC Conference Early Bird Registration Ends Soon; Zoom Registration Now Open!

Early Bird registration closes on Monday, April 7, for the WRRC 2025 Annual Conference. While we strongly encourage in-person attendance, we are pleased to announce that registration for the non-interactive Zoom livestream (which is free) is now open for those unable to join us in person. Don't delay — register now!

WRRC Water Webinar Focuses on Transboundary Aquifers

On March 28, 2025, the WRRC hosted a water webinar featuring Universidad de Sonora Professor Elia Tapia, who detailed a prioritization process for evaluating the conditions of US-Mexico transboundary aquifers, a tool for optimizing resource allocation for regional groundwater research and policy.

APW Team Member Gets Fresh New Role

Arizona Project WET (APW) has a new Program Supervisor in town ... actually, in many Arizona towns! Kirstyn Kay, someone you may recognize from a previous water festival held near you, is now supporting outreach, education, and engagement wherever the need takes her — from Yuma to Yavapai County and from Globe to Casa Grande.

Land Acknowledgment

We respectfully acknowledge the University of Arizona is on the land and territories of Indigenous peoples. Today, Arizona is home to 22 federally recognized tribes, with Tucson being home to the O'odham and the Yaqui. The university strives to build sustainable relationships with sovereign Native Nations and Indigenous communities through education offerings, partnerships, and community service.
