You're Invited!

Join the WRRC on Friday, Feb. 13 for our 11th annual Chocolate Fest and enjoy chocolate creations from Tucson kitchens and around the world! At this year's event, Cody Sheehy, video producer at the College of Agriculture and Life Sciences (CALS), will briefly showcase *Beyond the Mirage* – a collaborative effort by WRRC, CALS, and Arizona Public Media using short video clips in a smart web architecture, a social media campaign, and a feature length documentary, all to engage citizens in learning about Arizona's water. Everyone is welcome, with or without chocolate.
