

THE UNIVERSITY OF ARIZONA
COOPERATIVE EXTENSION

**WATER RESOURCES
RESEARCH CENTER**

Two Participatory Workshops

WATER HISTORY TIMELINE FOR THE UPPER VERDE WATERSHED

The University of Arizona Water Resources Research Center (WRRC), in partnership with Yavapai County Cooperative Extension and The Nature Conservancy, invites you to participate in a community-building event to contribute to a water history timeline for the Upper Verde Watershed. The purpose of these participatory workshops will be for you, the community members, to share your stories, memories, and historical events related to your watershed. The information collected will be incorporated into a multi-media website highlighting key water-related historical events in the Upper Verde Watershed. Two meetings will be held (details below).

[Register Here](#)

Prescott Workshop

Wednesday, March 12

4:00 – 6:00 pm

Adult Center of Prescott
