#### **Dear Colleague:**

Once again, CLE International is hosting the most comprehensive Western Water Law Conference this year and the agenda is filled with many of the most prominent players in the Western water world.

Topics including:

- Casitas and Takings Issues
- Clean Water Act
- Colorado River
- Endangered Species Act
- Impacts of Hydraulic Fracturing on Water Resources
- Indian Water Rights
- Klamath River
- Supreme Court Pending Cases
- The Current State of Water Affairs
- Water and Energy Development
- Water Supply During Drought

#### ... and more!

Don't miss out on this unique opportunity to network with the best in the water field while learning about the most current and critical issues facing the Western United States.

We look forward to seeing you in Las Vegas!

## MEET YOUR DISTINGUISHED FACULTY

#### **PROGRAM CO-CHAIRS**

**Michael A. Gheleta** is the Phoenix Field Solicitor in the US Department of the Interior Office of the Solicitor's Intermountain Region. In addition to managing the Department's legal work in Arizona, he focuses on water, public lands, Indian and environmental law. He has also worked in private practice in Colorado and California. Mr. Gheleta served for many years as a trial attorney in the U.S. Department of Justice's Environment & Natural Resources Division, where he handled water and other natural resources litigation in federal and state courts throughout the western states.

**Roderick E. Walston** is Of Counsel in his firm's Litigation Practice Group. He specializes in natural resources, environmental and water law, and in appellate practice. At the California Attorney General's Office, Mr. Walston litigated many of the State's most important natural resources and environmental cases. He served as the top lawyer for the US Department of the Interior, and as head of the California Attorney General's Public Rights Division, which handles all litigation in the natural resources, environmental and water law areas.

Is Western Water Law Adaptable Enough in an Era of Extreme Shortage?

#### **Patricia Mulroy, General Manager** Las Vegas Valley Water District and Southern Nevada Water Authority, Las Vegas, NV

**Patricia Mulroy** oversees the operations of the Las Vegas Valley Water District, which serves more than 340,000 customers, and the Southern Nevada Water Authority, which is responsible for acquiring, treating and delivering water to local agencies that collectively serve 2 million residents and nearly 40 million annual visitors. Ms. Mulroy joined the District more than 20 years ago and began serving as its general manager in 1989. She was a principal architect of the Authority, which has served as a model for other Western water agencies since its creation in 1991.
