SPONSORSHIP OPPORTUNITIES

How do Arizona communities ensure that they have sufficient water to meet their future needs? This is the critical question being addressed at the 2019 WRRC conference, *Arizona Runs on Water™: Scarcity, Challenges, and Community-Based Solutions*. Your sponsorship allows us to keep registration prices low and to offer greatly reduced student rates. Top sponsors, at the Arroyo-level, contribute to ongoing water education throughout Arizona, by funding a student to research and write a follow-up publication on the conference topic.

Please see all the great benefits below!

All Sponsors Will Receive These Benefits

Logo on Materials & Website

Your logo will be placed on all promotional materials and on our Website, where everyone will see it!

Recognition at the Conference

We thank all our sponsors from the podium. Posters at the meals and registration desk will display your logo!
