

University of Arizona Water Resources Research Center, Annual Report 2016

Appendix B

Section 1 - Grants Received

Title	Sponsor
State Water Resources Research Institute Program	United States Geological Survey, NIWR
Water Education for k-12 Students and Teachers	City of Peoria
Water Education for k-12 Students and Teachers	City of Tucson
Transboundary Aquifer Assessment Program (TAAP).	United States Geological Survey
Needs Assessment and Recommendations for Water Resources in Cobre Valley.	Bureau of Reclamation
Expansion of Arizona Project WET (APW) in the Phoenix AMA.	Arizona Department of Water Resources
Creation of a conceptual water budget for the Upper Santa Cruz River and assistance with engagement activities.	Sonoran Institute

Section 2 - 104b Water Research Grants

Title	University	Amount
2015		
Water Sources Over Time for a Semi-Arid River: Implications for water resources and groundwater modeling	UA	\$9,985
Impact of Upgraded Wastewater Reclamation Facilities on Chemicals of Emerging Concern in the Effluent-dependent Lower Santa Cruz River	UA	\$9,998
Characterization of Uranium and Arsenic in Unregulated Water Sources on the Navajo and Hope Reservations	UA	\$10,000
2016		
Sunlight-Driven Reactive Oxygen Species Production for Natural Attenuation of Wastewater Trace Organic Compounds.	UA	\$9,999
Recycled Water Use of Agriculture: On-farm Demonstration and Evaluation	UA	\$10,000
